Elementary e-Learning Day Letter to Parents

Dear Parents/Guardians,

On days when school is closed for weather or other unexpected circumstances, we will have an e-Learning Day. We, as well as the specialty teachers, Title I, Reading Interventionist, and Special Ed, will be available from 10:00 a.m.-12:00 p.m. and 1:00 p.m.-3:00 p.m. for any questions you may have. You can contact your classroom teacher by phone, school email or Google Classroom.

Attached to this letter you will find the Snow Day Bingo CHOICE CARD. Each child is required to complete and turn in 1 activity under each of the BINGO letters. They will have 5 activities to complete and turn in. Each activity should take 10-15 minutes to complete. This will help your child enhance his/her learning from home, since this is being counted as a school day. Once they have completed an activity, have them color it in on their Bingo card. Then a parent needs to initial each completed activity. Return the card to school when you have completed the 5 activities. A teacher may also post assignments to Google Classroom at their discretion.

This Bingo CHOICE CARD will be used for multiple school closings for weather, or other unexpected circumstances, so please keep this throughout the year. After each time it is used, your child’s classroom teacher will return it to you in case we have another school closing.

If you are looking for additional resources, some different options are listed below:

- Count money, tell time, bake with an adult, etc.
- If you have access to internet, abcyia, Spelling City, Online Resources, etc.

Please contact your classroom teacher by phone, school email, or Google Classroom if you have any questions throughout the e-Learning Day. Thank you for your assistance at home with these activities.

Thank you,

Elementary Teachers
