SNACK CART

With such great success last year, we will be offering the snack cart again this year to grades 1-6th. We will have a new snack cart with even more healthy options each day for a minimal cost (about $0.38 per day!). We are happy to be able to provide this convenient and economical option for families.

Fruits and vegetables give you the best “bang for your buck.” No other snack food provides as much nutrition as a piece of fruit or vegetable. Fruits and vegetables are loaded with vitamins and minerals. They are low in fat, sugars and salt, and are high in fiber. We are able to order fruits, vegetables and other healthy options in bulk, reducing the cost for you.

The cost for the program is $65.00 per child (grades 1st-6th) for the entire 2019/2020 school year. There will be a few choices each day for students to choose from including items such as: baby carrots, sliced apples, oranges, yogurt, string cheese, crackers, pretzels, and more.

If you do not wish to participate in the snack cart program, you may send an alternative healthy snack with your child. However, we hope you will take this opportunity to save some money, enjoy the convenience of the school-provided snack, and most importantly provide “top-notch” nutrition for your child at snack time.

If you are interested in partnering with us in support, you may also include a donation to go toward students who need assistance.

If you choose to have your child participate in the snack cart program, fill out the form below and return it to school during your child’s back to school open house (there will be a table in regards to the program on open house day). This program starts the 1st day of school.

Student Name (First & Last) ___________________________ Grade (1st - 6th) ______ Teacher ______

Student Name (First & Last) ___________________________ Grade (1st - 6th) ______ Teacher ______
